It is with deep pleasure that the undersigned, Luigi Aschedamini, in the position of President of the Italian Education and Sporting Federation of Karate and Associated Disciplines (FESIK), together with the Federal Board, has the honor of communicating that, following the proposal of Dr. Michel Nehme, National Technical Director and Federal Advisor, and of his highest-ranking colleagues, we have officially ratified the relationship between the Aikido sector of FESIK and your esteemed self, as our figure of reference and global technical advisor for the Aikido sector of our beloved Federation which, as you will know, is officially known in the Italian State by the number 421 of the 10<sup>th</sup> of July, 2003.

As we extend our warmest welcome, we are certain that this connection and collaboration, born of the mutual personal esteem not only of Sensei Michel Nehme but also that of his closest colleagues Massimiliano Furlanetto and Wassim Nehme, will bring immense added value and high quality to Aikido in Italy.

It will be an honor to meet at the occasion of the seminar you will teach next year in Parma / Sant'Ilario, and a wonderful opportunity in which to share the vision of martial arts on both a national and international level.
